About Us

The Inspection Technology and Quality Assurance National Institute (ITQAN) is a state-of-the-art institute that aims at inspiring passion for excellence, provides world-class training programs, and delivers state-of-the-art human resources development. ITQAN is an independent, not-for-profit training institute. It is the result of a strategic partnership between Saudi Aramco (SA) and the Technical & Vocational Training Corporation (TVTC) in accordance with signed agreements.

ITQAN is located in Juaymah. It intends to train and qualify young Saudi's in order to meet the market needs, contribute to community growth, help reduce unemployment and support the Kingdom's workforce and nationalization efforts. ITQAN offers inspection training mainly to high school graduates to qualify them to work in the energy sector.

VISION

To be the leading training institute in the area of inspection discipline.
